beauty abounds

barry dixon

for **Avrett**

location Charleston, South Carolina

product Copernicus

standout Teaming with Avrett founder Peyton Avrett, the Virginia-based designer references a galactic theme for a chandelier in satin brass and brushed steel—part of a 9-piece collection with a refined industrial sensibility. avrett.com. **circle 410**

debra folz

of **Debra Folz Design**

location Providence, Rhode Island

product Drape

standout Sheet steel powder-coated white, black, or pink is artfully formed to mimic a tablecloth in this collection of desk, coffee, and side tables poised on brass-plated tubular steel legs—designed by the RISD-graduate and made locally in Rhode Island. debrafolz.com. **circle 411**

benjamin luddy and makoto mizutani (and penny)

of **Scout Regalia**

location Los Angeles

product SR Lodge

standout The California crew's cozy chair is made for lounging, especially when paired with a matching ottoman. Its white oak frame is domestically made and comes in bright orange, green, and navy blue Kvadrat upholstery or COM. scoutregalia.com.
