

ACCENTS ON | the bath

We love the **natural** look of this bath. The rich color, the art collection, and the much-needed side table for a freestanding tub bring it all together. What makes it succeed is the melding of natural materials with luxurious details.

The Inspiration: Designer Kelly Welsh, Houston

Saville ceramic tile (\$7.80 per square foot) by Renaissance Tile & Bath, 404/231-9203. A spot for a book and a drink: Organic table (\$929) by CS Post & Co., 888/419-2399.
